## AS YOU GROW OLDER, YOUR INDEPENDENCE BECOMES MORE AND MORE IMPORTANT TO YOU.

But a lot of things that allow you to have an independent lifestyle also become more and more problematic as you age. Especially when you add in possible circumstances like driving less, immediate family not living close-by, a spouse's death, maintaining a large home, or just not knowing where to turn for advice and/or assistance.

## EVERYTHING FROM YOUR LAWN TO YOUR MEALS

These days, living longer lives means dealing with a longer list of daily needs, errands and chores. None of which should be an aggravation or nuisance. If you're 65+ or the child of 65+ parent(s) you know what we're talking about. Everything from scheduling and getting to a doctor's appointment to scheduling and getting your driveway plowed (so you can keep the doctor's appointment).

# JENNALINE TO THE RESCUE

If this is beginning to sound like your life, it's JennaLine to the rescue. We fill a void in the RI market. No other company takes care of day-to-day life like JennaLine.
